OFFICE OF THE SECOND MEMBER OF COUNCIL.

NOTE

Mysore, 11th Octr. 1927.
Dated

20

D 475
Mur 89-27-1

It was urged by some of the Members of the Representative Assembly that the following temples required repairs and that they had not received attention although the institutions had balances to their credit, or the devotees were willing to contribute fully or partially towards repair works:-

1. Sri Revanna Siddheswaraswami Temple at Closepet.
2. Sri Anjeneyaswami Temple at Hurli-Sorab.
3. Narasimheswaraswami Temple at Hunsur.
4. Vinayaga Temple, Mulbagal.
5. A temple at Khandya, Chikmagalur.
6. The temple on the Biligeri Ranganath Yelandur.

The Muzrai Commissioner may be requested to ascertain what repairs these buildings require, and if the institutions have sufficient balances to meet the cost of repairs and if not, whether the local people are willing to contribute towards such cost.

I believe a reference has been made to the Muzrai Commissioner for arranging for the early repairing of the buildings of this temple. I do not know if a report has been received; if not, a reminder may be sent.

Mr. T. Sidde Gowda, a Member of the Representative Assembly, states that the temple has enough balance to carry out the work and yet the work has not been undertaken on the ground that the local authorities say that it has no money to its credit. He states that its annual income is Rs 1,000/- or even more and that this standard of income is maintained for some years past. If this is the position, the institution is a major one. Please ascertain if it is a separate unit in the books of the Comptroller. If so, what is its balance? If it has no balance, the Muzrai Commissioner may be requested to put himself in correspondence with Mr. T. Sidde Gowda and find out how the moneys belonging to this institution

SIR,

With reference to Government Order No.2945-7 Muz.215-06-7 dated 15th March 1920 sanctioning an estimate for Rs.4166/- for repairing the Sri Markandeswaraswamy temple at Khandya Chikmagalur Taluk, I have the honor to forward herewith for favour of scrutiny and submission to -- Government for sanction a set of revised estimates aggregating to Rs. 4842/- prepared by the Public Works Department and received with ---- correspondence ending with letter No.A-5-1138-26 dated 13th August 1926 from the Deputy Commissioner Kadur District and to state as follows:--

The cost of the original estimate was ordered to be met from the Sri Kalaseswaraswamy temple at Kalasa and the amount is reported to have been transferred to the credit of the Public Works Department and only a sum of Rs.676/- is now required for the revised estimate.

The report of the Executive Engineer accompanying the estimate gives fully the reasons for not working out the original estimate and also the necessity for revising the same. The estimate has been ---- countersigned by the Director of Archaeological researches in Mysore.

As the institution has a very small balance at its credit and no substantial contribution from the devotees can be expected, the Deputy Commissioner has recommended that the excess cost of Rs.676/- might also be met from the Kalasa temple funds. But as the Kalasa temple has not to meet its own expenditure for its works, the excess cost is proposed to be met from the interest earnings of the general Muzrai Funds for the current year and is included in the programme of works submitted to Government with the General Muzrai Fund Budget. I request the

that sanction of Government may be obtained to the revised estimate for Rs.4949/- the excess cost being met from the General Muzrai Fund interest.

A copy of the Deputy Commissioner's letter dated 13th August 1926 together with the file is enclosed.

4. " Vinayaka temple, Mulbagal.
5. A temple on the Beligeri Panganbetta, Yelandur.
6. A temple at Khandaga, Chickmagalur.

Item No.3 Sri Narasimhaswamy temple at Hunsur. An estimate for Rs.4580/- prepared by the Executive Engineer for reconstructing one in place of the old one washed away by the floods of 1924, was received and it has been sent on to the Chief Engineer for scrutiny and submission to Government for sanction the cost being met as follows:-

Rs.1450/- from the funds of the temple both in cash and investment.

Rs.3130/- from the current year's allotment of General Muzrai funds.

The devotees have paid nothing and the Deputy Commissioner has reported that they are unable to pay anything. (vide this office memo No.C.1144 of 25-26 dated 4th November 1927)

Item No.5. Temple at Khanaga Chikmagalur Taluk.

Repairing Sri Markandeyaswami Temple at Kandya, Chickmagalur Tq.

With reference to his No. 647 dated the 16th August 1937, has the honour to return the above estimate with following observations.

(a) The rates provided in the abstracts for Markandeyaswami --- and Janardhanaswamy temples differ although the temples are close to each other and no explanation is given for the difference.

(b) The rate for honey wood work is increased from Rs 3-8-0 to Rs 4-8-0 a cubic ft., and no reason is given.

(c) No detailed plan and sections are furnished for the front entrance to verify the provision made in the estimate.

(d) The report and the provision made in the estimate for the Anjeyanaswamy temple disagree and require verification.

(e) Provision for contingencies may be made in the abstracts - for the Markandeyaswamy and Janardhanaswamy temples.

(f) In the covering letter under reply it is stated that necessary provision for the Establishment and Tools and Plant - charges has been made in the estimate but it is actually -- not done.

2. The Executive Engineer is requested to resubmit the same after attending to the above observations within a week.

3. The attention of the Executive Engineer is requested to the --- standing orders noted in the margin in the matter of writing up reports on projects. In the present case no fresh report is drawn up to suit the provision made in the modified estimate.

~~instructions to the Officers of the Department to the effect, that they would be personally held~~ responsible for all undue delays in completing such works.

~~In this connection, the attention of the Chief Engineer is particularly invited to the~~ following items of works in the lists received from him:

Item No. 1 of the Kadur District - This is pending from November 1920. It is found that tenders for the revised estimate has just been called for.

Items Nos. 1, 2 & 8 relating to the Shimoga District. In these cases deposits were received in 1921 and 1925 and it is now reported that revised estimates have yet to be received in 2 cases and 1 is pending for want of information as to funds.

Items 1, 2 & 3 of the Chitaldrug District - The deposits were received in 1922 and 1926 The works are said to be still in progress ~~though the amounts of the estimates are not very high~~.

Items 1 & 2 of the Bangalore District - In these cases revised proposals are said to have been called for, though contributions were received in May and June 1927.

Items 1, 2, 3, 4, 6 to 12 & 14 of the Kolar District - Some of these are nearing completion though started several years ago. In some cases refund is recommended without specifying reasons.

Items 1, 2, 7, 8, 9, 11, 14 to 17, 20 to 23, 25, 26, 29, 31, 32, 36, 43, 50, 56 & 60 of the Mysore District - Some of these are not yet taken up and revised estimates are said to have been called for in certain cases and orders are said to have been issued to S.D.Os to close the works soon in certain others.

Item 1 of Hassan District - In this case, sanction to the revised estimate is said to be awaited.

The Chief Engineer ~~is requested to take further necessary action in bringing them all to~~ [illegible] ~~very~~

Read:-

Correspondence ending with letter No. 11210 dated the 26th June 1929 from the Chief Engineer of Mysore forwarding statements received from the Executive Engineers of Divisions showing the deposits on account of Muzrai Works outstanding in the Public Works Department, unutilised.

Order No. 201-10/Mus 89-27-29

Dated, Bangalore, the 1st August 1929.

Government regret to note that there is a very large number of works (about 50) in which amounts deposited by Muzrai Institutions with the Public Works Department have remained unutilised for long periods. This is not fair to the Institutions concerned. Delay in starting works after estimates are sanctioned and the necessary funds are provided for should be deprecated. The Chief Engineer is requested to issue necessary instructions for prompt execution of all pending Muzrai works.

Delay is noticeable in the following items of works in the lists received from him:

Item No. 1 of the Kadur District - This is pending from November 1920. It is found that tenders for the revised estimate has just been called for.

Items Nos. 1, 2 & 8 relating to the Shimoga District - In these cases deposits were received in 1921 and 1925 and it is now reported that revised estimates have yet to be received in 2 cases and 1 is pending for want of information as to funds.

Items 1, 2 & 3 of the Chitaldrug District - The deposits were received in 1922 and 1926. The works are said to be still in progress. There is no good reason why they have not been completed.

Items 1 & 2 of the Bangalore District - In these cases revised proposals are said to have been called for, though contributions were received in May and June 1927.

Items

Items 1, 2, 3, 4, 6 to 12 & 16 of the Kolar District - Some of these are stated to be now nearing completion though started several years ago. In some cases refund is recommended without specifying reasons.

Items 1, 2, 7, 8, 9, 11, 14 to 17, 20 to 23, 25, 26, 29, 31 32, 36, 48, 50, 56, 58 and 60 of the Mysore District - Some of these are not yet taken up and revised estimates are said to have been called for in certain cases and orders are said to have been issued to Sub-Division Officers to close the works soon in certain others.

Item 1 of Mangalore District - In this case, sanction to the revised estimate is said to be awaited.

It is hoped that the Chief Engineer will insist on better progress being shown by all officers in the execution of Mysore.
